*** This list is not all inclusive for every crop or commodity that may be covered under NAP**

*** All crops are not covered in all counties**

*** Some crops may be covered for certain uses but not for others (ie., corn used for grain is not covered in the majority of counties whereas corn marketed as fresh corn is covered)**

*** Crops for grazing are only eligible for basic level coverage**

*** For more information, contact your local FSA office. To find your local FSA office, follow this link: <https://offices.sc.egov.usda.gov/locator/app?state=us&agency=fsa>**
