

Tennessee Master Farm Manager will focus on solid business principals and efficiently utilizing resources on the farm. The Summer Master Farm Manager Course will utilize a hybrid method, with both prerecorded videos and live webinars. Zoom based webinar sessions will be held on Tuesday and Thursday nights for two weeks starting June 22, 2021 at 7PM EST/6PM CST. Registered participants will be emailed a Zoom link and instructions the day before each session. Shortly after registering for the webinars you will receive an email with links to the recordings. Watch the recordings as your schedule allows. To complete the course, seven of the eight sessions must be completed.

Webinar Topics

- Farm and Management Transition Planning
- The Cost of Borrowing
- Current Agriculture Trade Issues
- Tax Planning & Recordkeeping, What the Producer Needs to Know
