Tennessee Extension Internship Program: ANR/CED Agricultural and Resource Economics

10-week Summer Internship

LOCATION

The student will work in the Agricultural and Resource Economics Department, Knoxville, TN at the University of Tennessee. Prior to starting the internship, interns will participate in a day-long orientation to familiarize them with Tennessee Extension Programs in ANR.

EFFECTIVE DATE

Tentative--May 19 – July 28, 2022

SALARY AND BENEFITS

A stipend in the amount of $6,840 for the 10-week internship is provided for each intern. As with any position, it is expected that an intern is able to get to and from work each day. Generally, interns ride with Extension agents during significant work-related travel and therefore do not receive a travel budget allotment.

JOB DESCRIPTION

• This position will assist in the development and delivering of outreach and educational materials to Tennessee and Southeastern cattle producers about the benefits and costs associated with genetic testing bulls, heifers, and feeder cattle to aid in cattle business decision making. This may include but is not limited to writing University of Tennessee Extension publications and popular press publications as well as delivering Extension programs via personal communication and face-to-face meetings.

REQUIREMENTS

• Candidate must be enrolled in a college of agriculture, natural resources, environmental science or closely related major.
• Should have completed at least 50 percent of the required course work for the Bachelor's degree with a cumulative GPA of 2.7 (on a 4.0 scale) or higher and has at least one more semester to complete after the summer internship has ended. Preference will be given to students presently enrolled in the University of Tennessee, Tennessee State University, any other university or college in Tennessee, or to a student resident of Tennessee enrolled elsewhere. Preference will also be given to those with Extension experience (i.e. former 4-H member, etc.). However, all eligible applicants will be considered.
• Must reside in, or live within a reasonable commuting distance of the assigned location. Housing not provided.
• Must have own transportation to and from work.
• Must present a written and oral report of the project accomplishments and training experience at the end of the internship.

For best consideration, applications for the internship should be submitted by January 24, 2022. Applications received after this date will be reviewed if all slots have not been filled.

Applicants may be interviewed. Successful applicants will be notified by March 1, 2022.

APPLICATION REQUIREMENTS:
