Tennessee Master Farm Manager will focus on solid business principles and efficiently utilizing resources on the farm. The Summer Master Farm Manager Course will utilize a hybrid method, with both prerecorded videos and live webinars. Zoom based webinar sessions will be held on Tuesday and Thursday nights for two weeks starting June 14, 2022 at 7PM EST/6PM CST. Registered participants will be emailed a Zoom link and instructions the day before each session. Shortly after registering for the webinars you will receive an email with links to the recordings. Watch the recordings as your schedule allows. To complete the course, eight of the eight sessions must be completed.
